dear Shannon, I live on Lenzen Ave and I am really in fear of the coming of Google with it's 55,000 , plus others to come to the area. I just HOPE you will include plenty of green in the way of trees and plants, and care for them, and really consider the people who live in the neighborhood, and pedestrians. Hopefully building won't block all view of mountain a and public gardens and parks will be plentiful. I wish we could avoid Bart and hard, or that they could go somewhere else than under Stockton. Thank you for considering me. Mary Cassel
