Subject: Downtown West Comment Letters

Shannon: We have received from you the following comment letters/e-mails (received today unless otherwise noted):

Public Agencies

- BAAQMD
- California High-Speed Rail Authority
- Caltrain
- Caltrans
- Caltrans (clarification request by e-mail; transmitted 10/13/20)
- CPUC
- RWQCB (transmitted 11/18/20)
- City of Santa Clara
- VTA
- Valley Water (Santa Clara Valley Water District)

Organizations & Companies

- California Native Plant Society
- CatalyzeSJ (transmitted 11/11/20) – Note: I believe this has previously been decided not to be an EIR comment, as it does not mention the EIR.
- Diridon Area Neighborhood Group (DANG)
- Guadalupe River Park Conservancy
- Law Foundation of Silicon Valley

- PG&E
- [Plant 51 Homeowners' Association](#)
- [Santa Clara Valley Audubon Society](#)
- Shasta-Hanchett Park Neighborhood Association
- [Sierra Club Loma Prieta Chapter](#)
- Sharks Sports and Entertainment (3 e-mails: comment letter plus attachments A-K; there were also two November e-mails from transportation consultant Paul Krupka seeking a missing appendix and then requesting additional materials for the newly supplied appendix)
- [Silicon Valley De-Bug et. al.](#)
- Union Pacific Railroad

Individuals

- Larry Ames
- Ryan Bavetta (transmitted 10/9/20)
- Mary Cassel – This does not mention the EIR; should it be treated as an EIR comment?
- [Jean Dresden](#)
- [Roland Lebrun](#)
- [Bill Souders](#)
- Robert Wahler (transmitted 11/13/20) – Note: This has previously been decided not to be an EIR comment, but depending on what we elect to do with CatalyzeSJ and Mary Cassel, it could be reconsidered.
- [Tessa Woodmansee](#)

We also received an 11/10/20 e-mail from Cary Greene at the City of San José Airport Department regarding the City's proposed crane policy. However, this did not include a comment on the DEIR and we are therefore not treating it as an EIR comment. (Also, you indicated that it was in response to the DSAP update, not Downtown West.)

Thank you.
