Hi Linda,

That looks fine. I am okay with having the comments in two places. It will just be easier for people to find the actual comments with the separate heading.

Thanks!

Hi David,

Following up on the below, we will create a separate category on the AB 900 website:

- Please confirm the title "Public Comments on DEIR", or let us know if you would like to tweak that
- It would be easiest for us to have the letters in two spots (correspondence AND the new category) but please let us know if you would prefer we only have them in the new category.

Thanks!

Linda

**Subject:** Downtown West EIR Public Comment Letters - Dedicated Category for AB 900 website?

Hi Hillary, Linda, and Karl,

I noticed that the AB900 website includes the EIR comment letters in the category of "Post DEIR Release Correspondence." Would it be possible to include the comment letters in a new dedicated category "Public Comments on DEIR" or similar?

We are going to post these comments to our website, but it may take a few days and were wondering if this could be accomplished on the AB 900 website without much effort.

Thanks,

**David Keyon**
