Subject: Prep for Thurs Internal Coordination meeting on Downtown West

Hi team,

The purpose of the Internal Coordination meeting this Thursday at 1:00 will be to **reflect on the public input received on the Downtown West project this fall and identify key themes**, determine any issues that may need additional work, and discuss any additional comments to provide to the applicant (either this week or another time) resulting from the community feedback. In addition to informing all of your work, the product from this meeting will help us prepare report-back documents for the public. I know you all have been considering the input along the way, so this is an opportunity to share with each other, brainstorm together, and document key take-aways in a

systematic way.

The proposed meeting format is to go category by category, filling out the table below. I plan to ask the PMs to start the conversation for each category (John, Larissa, Eric), then open it up for the group's discussion. Please think about and share the most common questions/points of confusion, concerns, popular features, and suggestions for improvement that we heard this fall (below are summaries to help you refresh).

Discussion table for each category

Community Input Theme – Fall 2020	Needs further work/ exploration? (y/n)	Add to applicant comment letter? (y/n)	Add a response to the FAQs? (y/n)	Other notes
1.				
2.				
3.				
4.				
5.				

Tentative agenda:

1. Introductions, meeting purpose, confirm discussion format (5 min)
2. Discussions on these categories:
 - a. Land use, design, historic, planning process (20 min)
 - b. Parks, open space, creek, community spaces (25 min)
 - c. Mobility, parking, transit (20 min)
 - d. Infrastructure, utilities, other environmental issues not already discussed (10 min)
 - e. *(I propose holding these topics for discussion in January: Affordable Housing, Jobs/Education, DA/Community Benefits, Small Business, Art)*
3. Summary (5 min)
 - a. Next steps

Here are summaries of the feedback from some of the events and public meetings held this fall (I'll send more as they are ready). **Please review these summaries in advance, if you can.**

I support Google's purchase of the lot on the corner of Schiele and Stockton to be used as a receiver site for 3-4 historic homes now located in the Google Plan area that will need to be relocated or else torn down.

Subject: Historic Landmark Commission Meeting November 4, 2020, Agenda Item #5

[External Email]

I am writing in support of Google purchasing the corner lot of Schiele and Stockton Avenues to be used as a receiver site for 3-4 historic homes now located in the Google Plan area that need to be relocated. Our neighborhood is already on the Historical Inventory, so this move would be compatible with our neighborhood and a welcome addition to our neighborhood. Saving these beautiful, historic homes are an imperative to the history of San Jose.

This decision to support this item by the Landmarks Commission will be a win win for Google and our neighborhood.

Thank you

Joanne Buckley
