Thanks David!

Could you please add Anton Walker (copied here) to your list for communications as well? He's just joined us on the Lendlease team for Downtown West.

As a sidenote, I'm planned to be out on paternity leave again starting Wednesday, but you and Shannon should be good continuing to work with Bhavesh and Anton.

Thanks!  
Andy

Hello Team:

nd

Below is the tentative schedule for Roundtable Meetings to review City comments on the 2 ADEIR with the Environmental Consultant. I was not able to reserve a room for the entire day on March 4, so I have us in three different rooms throughout City Hall (see location in table below).

The purpose of these meetings will be to review the City's comments sent to the Environmental Consultant on February 28 section by section for clarification and direction to the Environmental Consultant.
