Great. Thank you. As a heads up our beat reporter, [Rob Copeland](#), is working with her on this. I'll be speaking with him Tuesday. Perhaps a good idea to circle the wagons Wednesday afternoon? You all available?

We are working with Nour to schedule a sit down with the Mayor the first or second week in June.

Nour will be in our offices meeting with Kim at noon today. We will be providing basic updated FAQs, some background on the City's economic situation, our deck on the economic development branding process.

We will touch base with you afterwards!

Elisabeth

Hi everyone,

Believe some of you may be aware, but Michael is OOO due to some family stuff this week (and likely next).

As a heads up, I may be chatting with Nour a little later today. Can you let me know if there's anything I should be aware of going into the conversation outside of what we've discussed previously?

Will touch base soon!
