Let me know if Alexa doesn't have it.

Hi team,

Just following up. I still haven't received the messaging document - does Alexa have it? If so, I can follow up with her.

Thanks!

Michael

Thanks, Elisabeth.

Moving Katherine to BCC. Katherine was covering for me last week while I was out, so we can remove her from our invites / emails moving forward now that I'm back.

Kim - if you don't mind, could you have Alexa email me?

Thanks again!

Michael

Regarding the document that we discussed – Kim wanted to give it to Alexa in their meeting this afternoon, to pass along to either Michael or Katherine. We can discuss on Friday. I will send the invite for that call.

Note – just discovered that the 2 pm slot for our regular Wednesday check-in calls won't work, as other of the work teams with some of the same members as the comms team are at that time. Lori is helping out by emailing you all with another suggested time that doesn't impinge on the other work teams' meeting times.

Thanks,

Elisabeth
