No problem – let me have some days in August that would work for you! And this time I'll do a Doodle for the group....

Hi Elisabeth, thanks so much for setting this up. Unfortunately, I now have to be in SF for work so I won't make it down to SJ. Should we look to August? Wondering if that will be better for people's schedules?

So sorry about the last minute change.

I have heard back from most of you and right now the only day that works for all responders is Tuesday, July 9, with Bill as our tour guide only available from 12-1.

So I suggest we start out at City Hall around 11 for a quick meeting, do the tour of Diridon and environs at 12, and then have lunch around 1 – possibly at the Poor House Bistro, which is right there. Let me know how that sounds.

Rosario, Lori let me know if you can make it on July 9. Colin is on vacation that day... so he's off

the hook!

Elisabeth

The folks cc'd here would be part of the group walking with you through the Diridon Station area, lunching and having a meeting at City Hall. The days you mentioned as possible were:

- July 9
- July 11
- July 16
- July 18

The timing would be about 11 am – 2 pm.

We can either meet at the station, do the tour, go to lunch and then convene back at City Hall, or start at City Hall. Either would be fine, unless you have a strong preference.

I am asking everyone to let me know any of these days that would work for you, and I'll figure out which is the most popular and send a formal invite.

Thanks!

Elisabeth
