Hi Nour - we chatted on the phone last week about Google's housing announcement! Nice to chat with you again. Feel free to reach out separately about the Dancing Pig.

Talk soon,

Michael

Thanks Elisabeth. Hi Michael nice to meet you here, I don't think we have talked. I am sure you are in touch with Rob - I wanted to learn more about the dancing pig restoration! So I'll write separately about that or ask Rob to bring it up next time he chats with you.

Best,  
Nour

Nour – I am copying Michael Appel, Global Communications & Public Affairs Manager at Google. He is the person now filling the role that Katherine Will had.

Michael – I apologize for not making this introduction earlier, I just assumed you and Nour had already met! (and don't worry about the housing question that Nour posed – I am getting the info from our Housing Department...)

Hi Elizabeth nice to catch up thank you - quick reminder that I am looking to characterize whether San Jose has a housing shortfall according to its RNA goals and what that is?

Thank you

Nour
