Thanks for the heads up on cancelling the 29th. I would love it if you could offer a couple of 11 am to 2 pm timeslots over the next month for rescheduling. We will make every effort to coordinate it with Bill so he can guide the tour and provide the historic and social background to the various parts of the site.

The agenda would include the one-hour walking tour, lunch and a short meeting at City Hall, not necessarily in that order. If required, we can shorten it by not doing the lunch or the meeting. But it would be nice to introduce you to City Hall... and a little gumbo or a Po'Boy would be fun!

Best,

Elisabeth
