Hi Pete,

We notified all contacts on the NAHC letter when we mailed out the NOP. We sent them letters via e-mail and certified mail.

Thank you,

Hi David and Shannon,

We wanted to make sure that the City is all set for the SB18 and AB 52 letters now that the NOP has been published. Please let us know if you need any assistance.

Thank you

David,

Attached are the results from the NAHC request. The SLF search was positive, likely because of the numerous human burials that have been discovered along Guadalupe River. There is a recommendation to contact Andy Galvan. They also included the most updated list of tribes.

We do not have any comments or edits for the letters, since the NOP will also be sent.

Thanks

**Subject:** Sample Tribal Contact Letters

Hi Hillary, Karl, and Pete,

Here are the letters we sent to the Tribal contacts for the 2019 General Plan Amendments. This covers both SB18 and AB 52 outreach (which is similar to the current project). Instead of having maps, we can just include a copy of the NOP with all the maps.

Thanks,

**David Keyon**
