Subject: Downtown West - Notice of Preparation posted to City's website and Scoping/Community meetings added to project website
Date: Tuesday, October 22, 2019 4:42:05 PM

Hi Rosalynn, Cheryl, and Lori,

I posted the Notice of Preparation to the project's Environmental Review web page at <http://www.sanjoseca.gov/index.aspx?nid=6468>.

I also updated www.sanjoseca.gov/googleproject with dates/times of the EIR scoping meeting in November and the Development Review Project meeting in December, as well as links to the NOP and the environmental review page.

News flashes and e-mail blasts will go out tomorrow.

Lori: Do you need us to send you the e-mail notice so you can distribute to your networks tomorrow?

Thanks,

David Keyon
