I think it would be best for the City to submit the reservation form. Happy to do that this week!
Hoang – Nguyen Phan in OED worked with you in summer 2018 on our successful Diridon/Google meeting. You were instrumental in helping us get 60 people there! This May 9th meeting will essentially follow up on that event. I'll send you the flyer for our spring outreach round once it's ready. Would you and Cuong be able to help us with outreach again?

Cuong - Thank you for the information & the form.
Hoang - Can I understand the full cost before we give our credit card info? Also, if we're making this reservation as part of a grant from / in partnership with the City of San Jose - the staff with whom we're working are copied here - are the costs different or waived?
Thank you for the time,
Alex
