Subject: Any time on Thursday afternoon's Downtown West meeting for discussion of comments on the 2nd ADEIR?
Date: Monday, March 2, 2020 8:45:28 AM

Hi James,

If we need extra time to review comments on the 2nd ADEIR, is there any time during Thursday afternoon's meeting? I know we will probably want to discuss the LTA at the standing Transportation meeting.

Thanks,
