Good Morning, Liz.

I'm doing well, thanks. I hope the same for you.

Thanks for putting together the exhibit. I've set up Zoom to enable you to share your screens, so let's hope I can make it work...

I'll have you share your information first and then we will hear from Google.

Have a good day and talk to you soon.

[External Email]

Good morning Kevin,

I hope that you are doing well today!

I wanted to let you know what we have developed an exhibit for Diridon Station that we will use this afternoon. We have created an exhibit file in Google Earth. Dennis (Cc'd here) will join us and we will just need to be able to share a screens.

Many thanks!
