Hi All,

Please refer to the attached responses from San Jose police and fire departments. As noted in my comment in the fire department's response, I sent a follow up question for feedback on the cumulative impact question.

Thanks!

David and Shannon,

As discussed and requested last week, ESA has attached a list of questions for use in discussions with the Police and Fire Departments. We would like to receive the attached information before Christmas in order to support our preparation of the existing setting and CEQA analysis of Police Services in the pending Downtown West Mixed-Use Plan Draft EIR

Thank you
