Subject: Downtown West: updated working schedule

[External Email]

Good morning,

Please see attached for a draft updated working schedule for review and discussion; please note that I included assumptions about the dates for the DWDSG submittals that will need to be confirmed, and am awaiting confirmation about updated dates for the TA/LTA. Additionally, you will note that this version includes a column on the right with the dates from the previous schedule, so you can better track the changes; this column would be removed in subsequent drafts.

Also, the team is wondering if you might have time on Monday or Tuesday to discuss the HIA?

Thanks!
Linda
