Not that I know of. I'll be reaching out to Johnny to see if he received anything and I'll get back to you.

Thanks,

Hi there, per Vivian's email below, it sounds like you're already following up on when we might expect an e-copy of the draft infrastructure and sustainability plans (attachments to the design guidelines). Per my comment at this morning's project manager's meeting, it seems best if we could preview these to provide comments on content before we see a final. It would also be good to confirm who are our primary applicant contact(s) on these items for future reference - the District team was working with Paul and then Andrew/Paul previously.

Hi,

We've been waiting for Sherwood to submit the Infrastructure Plan, which was supposed to come in over a week ago. James is checking on the status for us.

Thanks,
Vivian
