Hi Rey,

Yes we we're supposed to receive a draft infrastructure plan but I have not received anything on my end. I will connect with Amanda and follow up with her and get back to you.

Subject: Google DT Infrastructure Plan Draft Submission

Hi James,

I hope all is well and good with you. I'm not quite sure if it was directly addressed in the DSA meeting, but there was supposedly a Draft Infrastructure Plan that was to be submitted to the City back in March 6 as part of Sherwood's response to our comments. Were the draft plans submitted or was the submission date pushed back? Just wanted to check on this since it's a key item we've been waiting for. Attached is the handout that references the infrastructure draft plans I mentioned.

Thank you,

Reyjun Sadorra
