Hi Cindy,

Sounds like a good idea.

My calendar is full on Wednesday afternoon from 1:00 pm on, but my morning is free if there is a timeframe before 1:00 that would work for you. I'm also open tomorrow (Tuesday) from 8-11 and 1-4 if that might work. If not, I can adjust some things on Wednesday and be available at 2:0-2:30; I just can't make 1-2 work due to another item.

Hi Kevin - I just sent a meeting request for Wednesday afternoon - I have some details based on research done to compare to other similar district developments about what is needed for the agreements between our two groups as we move forward. I think it will be easier to discuss in a smaller setting before presenting to a larger group and wanted to brainstorm with you how to do that. If this time doesn't work, please let me know.

Regards,  
Cindy
