Hi Kevin,

If it works for the rest of the group, it would be better for me to have the call tomorrow at 4 pm (I'm also available 8-10 or 1-2). If not, I can make 3 pm work.

Doug

**Subject:** Interconnection Application

Hello Barry, Doug and Mike.

Google asked that we cancel this Wednesday's Energy Working Group meeting to allow our teams some additional time to work on the topics we've been discussing. I'd like to keep the hour available for us to further discuss our strategy related to the interconnection application and the components

of a future agreement.

I will send you a separate meeting invitation for tomorrow from 3-4. Please let me know if that still works.
