Hi Shannon. It was VCA? Just wanted to check whether there would be a Voluntary Cleanup Agreement between Google and DTSC, since it is a huge site.

Subject: EIR Comment Question

Hi Robert,

I'm working on wrapping up data requests for ESA. On the following text from the Hazards section, your comment was "RCA?". What does RCA stand for in this context?

"The remedial action plan would be submitted to the regulatory agency enforcing the land use limitations for its review and approval."

Thanks!
