Thanks for the heads up James. I have some conflicting meetings at this time; but I saw Michael is on the invite as well, so at least one of us should be able to participate. - Jared

Hi Jared and Juliet,

I wanted to let you know this coming Thursday's coordination meeting with Google, we will be discussing DSAP amendments and Historic context. Google will be managing the meeting invitation and I have requested them to add you to the meeting. Once we have a finalized agenda with time allocation you will be notified. If you have any questions or comments please let me know.

Thank you,
