Hi Shannon - Housing didn't have our own redline edits as we had consulted with Lori about conclusions and language - thought the section read much better after edits.

Discussion on the conclusion - that was our live conversation today!

Footnote source from UCB - yes, just sent that email.

I don't see "gentrification" now - thx for removing that word.

Let us know if you want RHNA links/info.

That's all for now - thx!

Hi Rachel and Kristen,

Since we have yet to receive any comments from Housing, please bring your comments to discuss from 9:00-10:00 AM today to discuss with the consultant.

If you can provide an electronic version of the Population and Housing section of the EIR in the next few minutes before the meeting, that would be great.

Thanks!
