[External Email]

Hi Kevin,
I have taken over the work Stephanie Carstairs was managing for the Diridon area. Cindy from Google informed me that San Jose has mailed in their application for service to PG&E.

Due to the Stay at Home order, there may be a delay in receiving your paper application. Would it be possible to send me an electronic copy of the application you filled out? I can then route it to the proper groups for processing.

Thanks!
