Hi Nicole,

Thank you for reaching out to me directly and facilitating our Interconnection Application in-light of

the COVID-19 restrictions.

Here is an electronic copy of the application for your review and distribution. Please let me know if you have any questions. Email is probably the best form of communications, or feel free to reach me on my cell phone at (408) 460-8106 if there is an immediate need.

I look forward to working with you and your colleagues on this.

Sincerely,

Hi Kevin,
I have taken over the work Stephanie Carstairs was managing for the Diridon area. Cindy from Google informed me that San Jose has mailed in their application for service to PG&E.

Due to the Stay at Home order, there may be a delay in receiving your paper application. Would it be possible to send me an electronic copy of the application you filled out? I can then route it to the proper groups for processing.

Thanks!
