Zak,

Hi! I am working EOC duties through next Monday. Can you schedule this after next Monday? If not, I will have try to provide you what I can virtually and after hours, however, my preference is to participate in the discussion.

Thank you.

Hey Tammy and Micheal,

We are working to get the amendments to the DSAP moving forward. As planning is looking to consolidate Open Space and Placemaking (i.e. public art and plazas) into one chapter, we wanted to set up some time to discuss the strategy for the updates and identify where OCA will need to provide input on the drafting of the chapter.

I am going to follow up with a meeting request to chat this over briefly. Let me know if the suggested time does not work for you.

Thanks,  
Zak
