Great. Thanks Barry. I'll send a zoom invite and if Doug can't join that's fine.

Hi Doug and Barry,

Any chance you have a few minutes at 1:30 pm today or first thing in the morning tomorrow to connect on the IA timeline? I'm thinking that I will work on integrating the interconnection process timeline you guys showed yesterday with the information shared by Google, and I just want to make sure that I'm adding value and staying coordinated with your efforts.
