Hi Kevin - perhaps we should reschedule the meeting after all. I don't think that there is harm to our schedules to do so.

Cindy

Hi Paul,

I know that as of last week you were still up in the air about your ability to attend the meeting on Wednesday from 4-5 pm. Please know that I'm still working to obtain the requested information from Kimley-Horn that you requested and I've let them know that we will likely postpone the meeting if the information cannot be provided by tomorrow. With that said, if you know that you are not going to be able to participate on Wednesday or prefer to postpone for another week, please let me know and I'll just reschedule.

Thanks.
