Subject: New IWM (ESD) Contact

Hi Shannon, James, and Jose,

I just wanted to let you know that ESD's Integrated Waste Management (IWM) Division has a new contact, Michelle Mullane (cc'd). She's replacing Peggy Horning in review so please include her in place of Peggy if you're sending anything directly. Otherwise I'll continue to bring in appropriate specialized ESD staff into discussions as items are shared with me and as needed.

James, I was wondering for tomorrow's 1-2pm meeting, will the design guidelines/infrastructure plan be discussed? If so, I can forward to Michelle in case she can join as well just so she can familiarize herself a little with that document/past work since IWM did have comments on it. Thanks.

-Julie
