Shannon:
I have confirmed my final comments are included in the "3.14_GSJ_Uilities_ServiceSystems_ADEIR4" document.

Saw my name under "Modified By" for a couple of the redline sections, but I did not make any (intentional) edits.

Thanks,
Casey

Hi Casey,

Could you please copy your comments into the "clean" versions of the documents? Currently, your comments are only in the "REDLINE" version. All new comments need to be inserted into the clean version of the new draft. The redline versions were provided only for your reference to see how comments on the previous draft (ADEIR3) were addressed.

Thanks!
