Hi Emy,

Sorry for the delay! I did a quick review for the high level comments that are due today. More detailed comments aren't due until November 4th. That should give us some time to coordinate the rest of our review. I'll bring the plans up now and when you're done it would be great if you could deliver them back to me as I will need to finish my detailed review. If you have any questions regarding timelines Julie Benabente should be able to answer them.

Thank you!

Subject: Google Plans

Hi Jeff:

Peggy and I are interested to see trash and recycling plans from Google.

Could we get a copy of the plans, or please let us know when you can share the plans with us?
Thanks.
