FYI- see below. Most items relevant to ESD would be in the infrastructure section of the Diridon Station Area Plan (DSAP) amendment. For those new to the district systems and infrastructure team, this is a parallel process happening related to the larger project area that the Google project is located within.

Seems like adequate review times but let me know if you have any questions or concerns by COB. Thanks!

Subject: DSAP Amendment Draft Schedule

Hello all,

Please find a link below, to the draft DSAP Amendment chapters schedule I briefly walked through at our PM meeting today. This link will also be available on our Monday PM meeting calendar invite.

 [04.16.20_DSAP_Amendment_Tracking - Editable.xlsx](#)

The intent of this draft is to start a conversation about the DSAP Amendment process and timing with the various departments involved in its creation.

Please relay this information to your teams and upper management and provide me with initial thoughts, comments, questions, or concerns by Noon on Wednesday, April 22.

This will be a topic of discussion at the DSA Director's meeting this Wednesday.

Thank you and stay safe!

Jose
