Hi Peggy,

Geoff and I did not receive this email or the invite. I see that Feb 28 to March 13 DPW Reviews the 1<sup>st</sup> Admin Draft and from my limited understanding of the project Julie is a part of (or has been managing) this off shoot of ESD and PW. Our comments have to do with demo and excavation and not so much with the actual construction and end result of the project (soil and groundwater issues).

Thanks for reaching out tho

Best

Jess

**Subject:** Thursday Meeting Items

District Systems/Infrastructure Team:

For this Thursday's City-Applicant meeting (1-5pm), the following topics are planned related to the the district systems/infrastructure team:

- 3-4 pm sustainability section update (all)
- 4-5 pm infrastructure plan section update (ESD-Jeff P. and Jeff S., CED-Kevin, PW rep)

I would suggest that the dept/rep I noted after each topic should attend at the time noted given that your area of expertise may be covered - though you're of course welcome to attend both time slots. Unfortunately I have a prior engagement and will not be in the office.
