Hi Zak,

Thanks for your coordination assistance. Yes, I was planning to send out a reminder to the full project team today, but the schedule has changed. ESA provided updated deadlines last week, but I was out of the office taking care of family business.

I will update the city instructions and schedule and send it out later today. However, so you can coordinate with your team, the deadline for emails generated up through June 30<sup>th</sup> is July 7<sup>th</sup>.

Thanks!

Hey Shannon,

I am sending my team a reminder about the AB900 timeline and requirements today. I just wanted to check in and see if there were any changes to the schedule since we pushed out the EIR again?

Thanks,  
Zak
