Yes, I think those capture what we would want to engage on for the most part. We may want to add the trail as well, I would expect people to want to talk about that component. I will let you know if I can think of anything else.

Hey Zak,

Yeah, thats the plan. I wanted to lock down some times and then send out the invites.

Are you ok with the parks topics?

Thanks!

Jose

Hey Jose,

I can be available for the dates outlined. I have meetings Monday morning until about 12, but any time after would work well for me now. My calendar is wide open at the moment. I don't really have any other suggestions. Are you going to be sending out meeting requests once you lock times down?

Thanks,
Zak
