Hey Zak/Jose

I would be interested in being part of a brainstorming session on this, my calendar is updated so whatever time I have in there I can spend on this. I'll put some thought in beforehand, too

CC'ing a few others who might be interested.

Thanks for reaching out, talk to you soon

Subject: DSAP Open House Equity Discussion Brainstorm

Hey Everyone,

I wanted to reach out really fast to see if you all would be interested in joining a quick brainstorming session. We are preparing to host open house conversations with community on a variety of subjects as they pertain to the DSAP planning efforts. One of these will be an equity focused conversation and we are looking to put together some conversation prompts that we can send out before hand. I was thinking it would be good to engage you all in putting some critical thought into this!

Jose is putting together the meeting, so if you are interested let us know and we will get you the invite. This is an open invitation too, so if there is anyone else you think might be interested in joining loop them in.

Thanks,
Zak
