Hey Teresa,

I had a chance to follow up with Nicolle on this. She provided some alternative dates to explore. She is looking at doing the special meeting on a Thursday between September 3rd through October 1.

Thanks,
Zak

Thanks for the update! I am assuming this conversation took place after yesterday's exec staff meeting and the list of dates Nicolle provided me. What I will do is bring this up at the retreat and poll the commissioners on which would be the better date. We may have an exercise we want the PRC to complete before their 8/5 meeting, and if this is the case, I may include the special meeting in that communication.

Hope that helps!

Hey Teresa,

After discussing it some more with Nicolle, we think it would be best to try and hold a DSAP specific meeting in late October to update the PRC on all projects in the DSAP area (the amendment to the area plan, Google, the light tower). Let me know what your thoughts are and what we need to get this scheduled. We would be looking at either 10/14 or 10/21.

Thanks,
Zak
