Thanks, Florin and Eric – I just looked at other timing options, and think we should keep this session and make a point of following up with you, Wilson, and others who can't make 4pm today work.

Sound okay?

BTW – I believe your conflict is VTA's Downtown/Diridon BART CWG meeting this afternoon – thank you for representing the City there. I think in the follow up session, it would be helpful for you to share – at a high level – what is presented there, as it is relevant for all of us.

Best,  
Jess

Hi Eric,

The only other time that works today would be 12:30-1:30, but that cuts short lunches for some folks. Otherwise most calendars are full this week to include all the folks from this email.

I will let others chime in.

Thanks!

Hi Florin,

Is there any chance we could reschedule this?

Neither Wilson nor I can make it (I need to attend the Downtown BART Community Working Group meeting 4-5:30).

Sorry for needing to ask,
