Good Afternoon Bob,

I hope this message finds you well. I am reaching out in regards to the communication provided to the City and City leadership we recently received. We would like to set up some time to meet with you and your group to discuss the open space questions presented.

If you would like to let me know if there are times and dates that would work well for you to meet, I am happy to coordinate calendars on our end and get some time set up to meet.

I look forward to hearing from you.

Thanks,
Zak
