This looks fine to me. My only suggestion is to move the trail discussion to the beginning so we can let the DOT gang go early, but I defer to you and Yves on whether that is needed.

I'm not inclined to share this with them beforehand. If you have a high level conversation with Bethany that would be fine.

Hey Nicolle,

Attached is a draft agenda based on our conversation yesterday. There are five main areas to address with subcategory discussions. I have included the talking points we were

alluding to under the subsections. If we sent this to Google, the talking points can be removed to focus the conversation. Let me know what changes you would like to see.

Thanks,
Zak
