Hey Bethany,

Just forwarding this along. This would be for your design team. The DWDSG talks about preferred railing/fencing. The attached provides guidance on PRNS preferred design approach for posts and rail wood fencing.

It would be great if this could be reflected in the DWDSG. Sorry for the delay in getting this over to you.

Thanks,
Zak

One of my comments mentioned a preference for wooden fencing (per the attached detail sheet).

Thanks
Yves
