Good Morning Kathy,

Unfortunately, the available time slot was taken. I am in the process of seeing if we can shift some calendar items around this afternoon if that would work for you?

Are there other times this week that would work for you? I have cc'ed our office specialist Cassie, who manages Nicole's calendar to help us nail down a time slot on the calendar.

Thanks,
Zak

Thanks for reaching out Zach!
If it's still an option - how about 9:30?

Hello Kathy,

I am following up to help schedule some time with Nicolle and myself to discuss some of the additional question you had about the next steps for the DSAP. Right now, it looks like Tuesday, June 23rd from 9AM to 10AM next week would work on our end to continue the conversation. Let me know if this time will work for you, if so I can send out a meeting request right away.

If no, if you could please provide me with a few times that would work I can see if we can shift things around to make this happen.

Thank you,
Zak
