Subject: DTW Obligation Discussion

Hello Everyone,

This seemed to be the earliest/most accommodating time for this conversation. Please let me know if there are any major conflicts and I can look to find another time, though it will likely have to be later next week.

This meeting is intended to set aside time to review the DTW project proposal and develop strategies for the applicant to meet that obligation in alignment with PRNS preference.

Agenda

1. Review Obligation Exploration Documents
2. Discuss Community Center Option
3. Discuss "Meeting the Obligation" Packages
4. General Discussion
5. Next Step
