Subject: Meeting Scheduling - Conservancy Model Review

Hey Kari and Cassie,

Nicolle would like to set up some time to review and discuss the proposed operation model for Google's proposed open space. Internally, she would like to find time for myself, Jon, Avi and herself to meet. We will also need to include Johnny Phan and Nanci Kline as well in the conversation.

Would you two be able to help navigate exec staff calendars and find a time as soon as possible for this discussion?

Thanks,
Zak
