Hi Bethany-

Thanks for a great meeting Friday and for helping advance our understanding of the project. We wanted to share the documents below as examples of the level of detail and analysis that typically go into parks and trail master plans in San Jose. We would hope that the Diridon West Project will include similar detail and information to support their design.

We've also included a link to the Midtown Specific Plan. You may recall that I mentioned this as one of the reasons the community expects one larger park to be included in the plan.

Please let me know if you have any questions. We are happy to meet with you and the team to further discuss the park planning.
