Hi Robert,

We did go to HLC during the NOP scoping period. We are planning on taking the project to HLC during DEIR circulation (the October 2020 meeting).

Thanks,

Hi David and Shannon:

During the NOP process for the Big G project, we held a scoping meeting. Was there a reason why we did not do the early referral to HLC? I thought there was a reason, but can you refresh my memory? Also, do we plan to take the project there as part of the CEQA and/or Planning process?
