Thanks for responding David. Yes, we did have early referral where the applicant presented the concept.

Hi Robert,

We did go to HLC during the NOP scoping period. We are planning on taking the project to HLC during DEIR circulation (the October 2020 meeting).

Thanks,

Hi David and Shannon:

During the NOP process for the Big G project, we held a scoping meeting. Was there a reason why we did not do the early referral to HLC? I thought there was a reason, but can you refresh my memory? Also, do we plan to take the project there as part of the CEQA and/or Planning process?
