**Subject:** Virtual Office Hours on Parks - Questions from the public

Hi Zak and Larissa,

Just wanted to give you a heads up on some of the questions that some folks submitted when registering for the office hours.

1. Please have maps available and show proposed acreage. Also please have Diridon West application maps with acreage available. Please be able to describe what happened to the public space next to West San Fernando LRT.
2. Interested in St James Park since everything seems to be on hold. Also the connectivity with SPMarket and Little Italy and all the new housing on Devine/San Pedro and around The Alameda
3. How much acreage is currently available to the public?
4. What are the community priorities for open space for the overall DSAP area and the immediate surrounding community? Looking for alignment in OS approach within the Downtown West and DSAP as a whole.
5. Who or what organization plans the Park and Public Spaces projects? Who originates the plans? Who/what benefits from the projects?

Thanks,

Jose
