Subject: SAAG Location Change - Council Chambers
Date: Wednesday, August 21, 2019 9:03:23 PM

Dear SAAG and Community Members,

This email serves to alert Diridon Station Area Advisory Group (SAAG) and community members that **the SAAG meeting for Thursday, August 22nd has changed locations.** It is important to Kim, Lori, and I that every person who wants to constructively engage has the opportunity. **Therefore the SAAG meeting will take place in the Council Chambers.**

For those who have not attended a Council meeting previously, please use the elevator by the Rotunda and take it to the second floor. Once in Chambers, SAAG members should come down to the main floor and check-in with City staff.

While we believe this change will accommodate a large audience there are still a variety of ways to engage. These include:

- watch the livestream of the meeting at: [CivicCenterTV website](#)
- watch the video recording of the meeting that will be posted here: www.diridonsj.org/saag
- attend a Housing and Displacement Community Forum for the public (August 24 and September 7), where the City's Housing Department will share similar information and gather feedback: [website on the Anti-Displacement Strategy](#)
- attend Google's community open house event this Saturday, where they will give a similar presentation and gather community input: [flyer](#)

Thank you,
Lee
